Consistency, visit after visit

Recurring service is designed to keep a maintained home feeling fresh—not wait for it to need another rescue.

How recurring care works

1

We learn your home

Your first visits establish the routine, priorities, access notes, and preferences.

2

We maintain the reset

The complete core checklist is followed every visit —weekly, every other week, or every four weeks.

3

We keep improving

Share feedback anytime. Your notes stay with the account for the next clean.

The full core checklist

The room-by-room tasks on page one are included at every recurring visit.

Cleaner continuity

We do our best to keep the same cleaner on your account and let you know when a substitution is necessary.

Your preferences remembered

Access instructions, priorities, pets, products, and feedback remain attached to your account.

Always in the loop

You receive appointment reminders and an on-my-way update before each visit.

Your starting point matters. We recommend beginning recurring service with a Deep Clean so your cleaner has a strong baseline to maintain. A first-time Standard Clean may take longer and be priced differently from ongoing maintenance. Heavy buildup can require a Deep Clean before recurring pricing applies.

Help us deliver our best

- ◆ Pick up clothing, toys, and loose items before arrival
- ◆ Place dishes in the dishwasher when possible
- ◆ Secure pets and share any pet instructions
- ◆ Keep access instructions and alarm details current
- ◆ Tell us when a room or task needs special attention

Available when you need more

- ◆ Inside the refrigerator or oven
- ◆ Interior windows
- ◆ Baseboards, wet-wiped blinds, and grout detailing
- ◆ Hand-washed walls or dishes
- ◆ Carpet shampooing, light organization, garage or patio sweep

Maintenance versus deep cleaning: recurring visits prevent normal weekly buildup. Interior appliances, detailed baseboards, interior windows, wet-wiped blinds, grout restoration, and other intensive work are Deep Clean tasks or add-ons unless included in your booking.
